

Trust Meet With KLTFC

The Chairman and Secretary of the B&G Trust met with Keith and Jonathan Chapman on Thursday 29th July 2010. This meeting was at the request of the Trust Chairman, and its purpose was to try and identify any potential for a mutual working relationship. From a Trust perspective, this was an opportunity to breach any perceived barriers. It was never intended that any substantive decisions would be made at this meeting.

Items discussed were as follows:-

- a. The Trust website and in particular the forum.
- b. The aims of the Trust and its reasons for raising funds.
- c. A reciprocal agreement for sharing information to be published on the Trust website, and in the match-day programme.
- d. The potential for a Trust article in the match-day programme.
- e. The use of facilities at the football ground for Trust meetings and events.
- f. Reciprocal visible links to the Trust and KLTFC websites.
- g. The potential for the Trust to organise a “not for profit” travel club.
- h. The alleged letter sent by a Trust member to the UCL.

No assumptions should be made from the list of topics. The outcome of this meeting will be considered at the next Trust committee meeting which is scheduled to be held on the 14th August 2010.
